PP3 Card-Operated Meters

Description.

These meters are very easily installed and are supplied 'ready to go*'.
The landlord holds a stock of cards (£1, £5, £10, £20 or €5) from us or your meter supplier/installer) and simply sells them direct to the tenant. The money the landlord collects goes directly towards his electricity bill.

Advantages

- No more meter thefts
- No more Cash box emptying
- No more ejecting damaged coins
- No more confusion over the meter settings.
